

Summer Series Roundtable
Wednesday, August 10, 2016

Self-Adhered Membrane Roof Systems for Low Slope Applications

Presented by: Dan Smith CSI, CCPR, RCI, LEED AP,
Commercial Territory Manager, CertainTeed Roofing

Participants of this roundtable will gain an understanding of self-adhering roofing systems, including how these systems have developed, how they are made, and how they are installed. The session will provide you with a background in the systems, an understanding of correct application, and insight into how the products and industry continue to develop.

Participants will learn about:

1. The development of Self Adhered technology in Modified Bitumen Roofing Systems
2. The safety and environmental benefits of selecting a Self-Adhered Mod. Bit. System
3. The current and future fit of SA Modified Bitumen systems to the built environment
4. Proper Installation Guidelines for SA systems

Time: Noon – 1 PM

Location: Hafele Showroom, 154 West Hubbard, Chicago

Cost: Complimentary

Continuing Education: 1.0 AIA/CES/HSW LU, 1.0 GBCI

[Click Here to Register](#)

Reservations: Required by 8/9. Use above button to register. Limited seating available on a first come basis. By email or phone. Complimentary to members and non-members. Non-members requesting to attend will be added to a waiting list until members are accommodated. Notification of available non-member spaces is sent two business days in advance. *If your plans change and you cannot honor a reservation, please contact the Chicago chapter so we can offer your seat to someone on the waiting list.*

About CSI Roundtables: *Sessions are held in an informal setting to encourage dialog and attendees are welcome to bring a snack or lunch. Topics are selected that are not product or industry specific and assist in building skills and knowledge to better work within the design and construction community. All members of the construction industry are invited to attend. If your plans change and you cannot honor a reservation, please contact the Chicago chapter.*

About the Speaker: Dan is the Territory Manager for CertainTeed Commercial Roofing in northern Illinois. For nearly 10 years Dan has consulted the Chicagoland building industry on proper utilization of window and roofing solutions as a manufacturer's representative. In 2015, he was awarded the CertainTeed Commercial Territory Manager of the Year Award and is currently a member of the CertainTeed Territory Manager Council. He has presented at national conventions for CSI in 2011 and the Traditional Building Show in 2013. In addition, he has presented regionally at AIA, ALA, CSI, and RCI events. He is an active member of CSI Chicago since 2007, holding numerous positions on the board and is currently the chapter's Certification co-chairman.
