

**Summer Series Roundtable  
Wednesday, July 13, 2016**

## ***Daylighting Strategy and Glazing Selection for Maximum Return on Investment***

**Presented by:** Pete Kovacik, CSI, CDT, Region Sales Manager at Bristolite Daylighting Systems

[See Pete Kovacik's profile on LinkedIn >>](#)

Join in for our July summer roundtable to learn more about the aspects of daylighting and the importance of properly incorporating it into your project. The performance and comfort of a space can be greatly impacted by proper daylighting design and glazing selection. This roundtable discussion will help you understand some of the important design considerations and introduce you to some of the products and design tools on the market.

Learning Objectives:

1. Understand the modeling and design tools available for daylighting
2. Recognize how to select proper daylighting glazing technology
3. Review the NFRC and IECC 2015 and what impacts it has on daylighting design
4. Identify the importance of daylighting design in regard to safety and OSHA

**Time:** Noon – 1 PM

**Location:** Hafele Showroom, 154 West Hubbard, Chicago

**Cost:** Complimentary

**Continuing Education:** 1.0 AIA/CES/HSW LU

[Click Here to Register](#)

**Reservations:** Required by 7/11. Use above button to register. Limited seating available on a first come basis. By email or phone. Complimentary to members and non-members. Non-members requesting to attend will be added to a waiting list until members are accommodated. Notification of available non-member spaces is sent two business days in advance. *If your plans change and you cannot honor a reservation, please contact the Chicago chapter so we can offer your seat to someone on the waiting list.*

**About CSI Roundtables:** *Sessions are held in an informal setting to encourage dialog and attendees are welcome to bring a snack or lunch. Topics are selected that are not product or industry specific and assist in building skills and knowledge to better work within the design and construction community. All members of the construction industry are invited to attend. If your plans change and you cannot honor a reservation, please contact the Chicago chapter.*
