

Improving the Performance of Finished Concrete Flooring

Summer Series Roundtable: Wednesday, June 7, 2017

Presenter: Nick Savage, CSI | Regional Sales Manager | PROSOCO's Regional Sales Manager

Learn the basics of how to get the most from finished concrete floors. Along the way we will discuss levels of finish, hardening-densifying and other aspects of finished concrete flooring not commonly known. The roundtable also shows how to protect and maintain finished concrete flooring, including tips for protecting finished floors from damage during building construction.

Learning Objectives:

1. List two ways finished concrete floors “perform” that contribute to sustainability.
2. Compare the waste-generation characteristics of lithium-silicate hardener/densifiers to older potassium- and sodium-silicate hardener/densifiers.
3. Explain how regular maintenance contributes to sustainability of polished concrete floors.
4. Estimate the expected service life of a finished concrete floor and rate it for sustainability on a scale of “good-fair-poor.”

Time: 12:00-1:00 pm

Location: Thornton Tomasetti

330 N. Wabash Avenue, Suite 1500, Chicago

Continuing Education: 1.0 hour | AIA/CES/HSW PRO016 | USGBC Approved: 0920003819

Reservations: Required by Friday, June 2. Limited seating available on a first come basis. Complimentary to members and nonmembers. Registered nonmembers will be added to a waiting list until members are accommodated. Notification of available nonmember spaces is sent two business days in advance. If your plans change and you cannot honor a reservation, please contact the Chicago chapter so we can offer your seat to someone on the waiting list.

Contact: Email: csichicagochapter@gmail.com or Call: 773-466-4147

About CSI Roundtables: Sessions are held in an informal setting to encourage dialog and attendees are welcome to bring a snack or lunch. Topics are selected that are not product or industry specific and assist in building skills and knowledge to better work within the design and construction community. All members of the construction industry are invited to attend. If your plans change and you cannot honor a reservation, please contact the Chicago chapter.

About the Speaker: Based out of Chicago, Nick Savage is PROSOCO's Regional Sales Manager for the Upper Midwest. Nick is a construction industry veteran of over 10 years. For the majority of that time, he has worked with architects, contractors, and distributors on finished concrete flooring projects. He has been involved in high profile projects for The Ohio State University, GM, Ford, Miller/Coors, and Navy Pier. Nick is a member of the Concrete Polishing Association of America, CSI, and BEC.
